

Stokesdale Youth Football Booster & Supporter Information

The Stokesdale Youth Gridiron Club

The Stokesdale Youth Football Association is the newest youth football program in the NW Guilford County area. Since Stokesdale is a town which does not have a football program for youth & other programs often do not provide an opportunity for all kids to play, we offer Stokesdale area youth the opportunity to participate locally & play in organized competitive youth football programs. We believe such new athletic opportunities give our youth experience, confidence, and work ethic, as well as promote fun and teamwork. Sponsoring our program is a great way to promote your business in the NW Guilford & Rockingham County area & to show your support of American youth football. Without the generosity of boosters & sponsors, it would be impossible to develop a quality athletic program. Therefore, we ask for your help. On behalf of all the children and coaches that participate in the development of Stokesdale Youth Football we would like to extend a sincere **"Thank You"** for your support.

Membership Information

The Stokesdale Youth Football Association is an IRS approved 501c3 association of parents, coaches, & volunteers and operates entirely as a non-profit organization. The SYFA Board and all members are non-paid volunteers. Our program is designed to teach the fundamentals of the game, enhance the physical conditioning, & promote sportsmanship for youth. Youth football is also proven to promote respect, courage, teamwork, & ethics among young people. SYF is a quality program that is tailored to the kids' level & inspires the youth participants.

Membership dates from
Feb.1, 2007 – Aug. 1, 2008
